**Explanation of the use of the “Guest Check” (Jamestown Settlement Café with ship and selections)**

Have each piece of paper filled out accordingly and corresponding to the order placed with us and have the students present them at time of pick-up. To assist in organizing your involvement, we would suggest that moments before visiting us at your scheduled time that you would distribute the individual guest checks to your students. This would safeguard that the students would not misplace guest checks before pick-up at the designated area. Please carefully reference the order placed with the number of guest checks that they should match up. This process has been instituted to lessen the confusion at time of pick-up because often some students might change their minds or forget what they ordered. Your assistance in this will ensure that your group and others will be efficiently accommodated.
